This is my first fic. It is also a songfic. I've never done this before so go easy! Hope you like it. Also, please review!

Disclaimer: I don't own Digimon and I never said I did so you can't sue me. I also don't own the song. It's \_With Arms Wide Open \_by Creed.

This happens when Tai and Sora are 25 and are married.

-----

The music plays for the beginning of \_With Arms Wide Open \_and we see Tai picking Sora up at the hospital. When she gets in his car, she smiles at him excitedly and hugs him.

Well I just heard the news today

Seems my life is gonna change

Tai holds Sora and closes his eyes and smiles as he begins to cry

I closed my eyes, began to pray

Then tears of joy stream down my face

Images flash and we see Sora and Tai preparing for the addition to their family and Sora getting more and more pregnant.

With arms wide open

Under the sunlight

Welcome to this place

I'll show you everything

With arms wide open

Tai runs up to the hospital. He finds Sora just ready to deliver and runs to her side.

Well I don't know if I'm ready

To be the man I have to be

Tai holds Sora's hand and hugs her tightly. The doctors hand Sora the baby and she and Tai hold him. They smile and Tai kisses Sora and then looks back to the baby in awe.

I'll take a breath, take her by my side

We stand in awe, we've created life

Sora hands Tai the baby and he holds him gently as he smiles.

With arms wide open

Under the sunlight

Welcome to this place

I'll show you everything

With arms wide open

Now everything has changed

I'll show you love

I'll show you everything

With arms wide open

Scene flashes as the boy grows up. Playing games with friends. Playing soccer with his dad. Going to school. Graduating. Tai smiles as he watches the boy grow up and is proud of him. Then the day comes when Tai and Sora have to let go. Tai watches his son drive away, his whole life ahead of him, holds Sora, and cries.

If I had just one wish  
Only one demand  
I hope he's not like me  
I hope he understands  
That he can take this life  
And hold it by the hand  
And he can greet the world  
With arms wide open...

End  
file.
